“Helping Victims Become Survivors”

May 10, 2018

Each new school year may be exciting for many children, however, it may cause anxiety and stress for many families that are faced with the expenses of buying new clothes and school supplies.

The Salvation Army helps thousands of kids across our community with new clothes, supplies, and gives them confidence for the new school year. Through local and national partnerships, the Salvation Army can offer these resources to qualified families.

Many families struggle.....that's where we can help in partnership with the Salvation Army!

On Saturday, July 14th, the Warrior B.E.A.R.S. is sponsoring the **1st Annual Warrior B.E.A.R.S. Ride for the Red Shield Scrabble Run** where all proceeds will benefit the Thurston County Salvation Army's back to school program

As you know, financial support is extremely important, as we rely on donations from community members to provide services in our community that are greatly needed.

We hope to make the **1st Annual Warrior B.E.A.R.S. Ride for the Red Shield Scrabble Run** amazing so we can attract more attendees each year, but we depend on the added support of our friends in the business community who can supply us with exciting auction items.

Would you be willing to donate either a gift certificate or merchandise from your business?

It is a win/win situation when we benefit from your donation and you receive the goodwill which comes as a result of your generosity, not to mention the promotion you'll receive from the attendees at the ride!

Our organization's ability to continue to operate is due in large part to the generous support of individual donors who believe in our mission, as well as gifts from businesses and corporations.

Thank you for considering our request.
